for the Diversity of
Cultural Expressions

Requests of the Coalition for the Diversity of Cultural Expressions in the context of
the study of Bill C-11, the Online Streaming Act:

To restore **equity** and maintain **citizen power**

To restore fairness in our ecosystem:

- the Bill must not set lower requirements for foreign online companies than for Canadian broadcasting companies;
- all companies engaged in broadcasting activities must be within the scope of the legislation.

To maximize Canadians' confidence in the CRTC and optimize their engagement in public processes, the Bill must:

- ensure that comparative public hearings are held when making important decisions affecting the development and funding of Canadian creation and production;
- maintain the appeal to the Governor in Council, which allows for challenges to CRTC decisions if they are contrary to the objectives of the Act.
